PRESS RELEASE

Moore Tool signs on Iverson & Company for Illinois, Wisconsin and Indiana

Moore Tool, Bridgeport Connecticut, and Iverson & Company, Des Plaines Illinois, have partnered together to serve the needs of tool and die and mold manufacturing customers across Illinois, Wisconsin and Indiana. Iverson & Company is well positioned to extend the sales and service model of Moore Tool on a more local basis to better meet the complex requirements of these customers. Christian Marsilius, Vice President, Sales and Marketing for Moore Tool, commented, "Iverson & Company has developed strong and trusted relationships with customers over many years. Their intense focus on understanding their customers and supporting them with the right solutions and a significant level of service is exactly what Moore Tool is looking for in a partner."

About Iverson & Company Machine Tool Systems, Inc.

Iverson & Company is a unique sales and service organization representing world-class machine tool builders in Illinois, northwest Indiana, Wisconsin and Michigan's Upper Peninsula. With over 70 years of combined service experience, Iverson & Company has the depth and breadth to meet a wide range of customer's needs. Founded in 1931 by Edward A. Iverson, the philosophy since the beginning has been quality and full service.

About Moore Tool

Moore Tool Company offers a complete line of CNC-controlled grinding machine systems and accessories. In addition, the company operates an ultra-precision manufacturing business certified to ISO 9000 and AS 9100 standards with a unique focus on 5-axis milling and ultra-precision jig grinding. The company is ITAR registered. The company operates out of 100,000 SF in Bridgeport, CT, U.S.A. and through Moore Special Tool AG in Zurich Switzerland.
